Operation Christmas Child Update

I just heard today that most of our shoeboxes went to Columbia, South America. There were 8.12 million boxes collected! That is 2.5 percent more than last year. How exciting!

I'm going to send out little messages every now and then when I see specials. You might want to get started on your boxes during the year instead of waiting until next November. So when you see the Operation Christmas Child symbol, start looking for particular items on sale. For example, we are having "white sales" right now, and we always need washcloths so look for some for your boxes.

We will always need totes so if you want, start sewing. Thanks again to each of you for filling so many boxes and for everyone that volunteered.
